

935 W. West Promontory | Farmington, Utah | (801)451-2880

* Eating raw or undercooked meat, poultry, eggs, or seafood poses a health risk to everyone, but especially to the elderly, young children under age 4, pregnant women and other highly susceptible individuals with compromised immune systems. The cooking of such animal foods reduces the risk of illness. If unsure, consult your physician.

** Allergies: Please inform us of any food allergies you may have when ordering as we do not completely list all ingredients. We will do our best to accommodate your need. Please be aware that we use ingredients that contain all the major FDA allergens such as eggs, sesame seeds, soy, shellfish, wheat & dairy.
